Before you sign please read this:

Above all we are here to serve the children, our lives are dedicated for this week to serve and be used by *God* to minister to these kids. This week is not about our wants and desires. I fully expect that every volunteer stepping onto the campgrounds must live their lives above reproach. It is essential when leading anyone to Christ. Your hearts must be on *God*. If your heart is right with God then this camp will be amazing and will bring glory to God and salvation and healing to those who need it (kids and volunteers).

If we fill all the positions and do not have a spot for you, we will send you a letter and put you at the top of the list for next year. If we do have a spot for you we will be in contact shortly.
